Present

FireScaping

A seminar for safe landscaping in high fire areas for Santa Barbara County.

Friday May 5th, 2006

9:00 A.M. to 4:00 P.M.

Santa Barbara Museum of Natural History

2559 Puesta Del Sol
Santa Barbara, Ca

SANTA BARBARA MUSEUM OF
NATURAL HISTORY

Come and learn from Douglas Kent, author of the recently published book *FireScaping, Creating Fire-resistant Landscapes, Gardens, and Properties in California's Diverse Environments*.

Topics include practical design, risk assessment, and zone theory, plant selection, plant placement, and maintenance.

For professionals in landscape design, landscape construction and maintenance, property management, insurance, fire prevention personnel, as well as high fire area residents, and anyone interested.

Space is limited, so RSVP early!

Cost: \$10.00 (to cover lunch and refreshments)

Checks payable to Santa Barbara County Firesafe Council

"FireScaping" books by Douglas Kent will be available at
the seminar to participants for a discounted rate of \$10.00

(Thanks to the City of Santa Barbara and the Firesafe Council. (Regular price of \$18.95)

Sponsors:

State Farm Insurance, Grace Design Associates, Allen Associates, MarBorg Industries, Santa Barbara Museum of Natural History, Mission Canyon Association, City of Santa Barbara, and County of Santa Barbara

To register mail this form with the \$10.00 to:

Joan Evans, Santa Barbara Botanic Garden, 1212 Mission Canyon Rd, Santa Barbara, CA 93105, 805 682-4726 ext 102, jevans@sbbg.org
